Patient & Visitor Parking

Parking at Rose Medical Center has never been easier! The addition of the Rose Founders Garage and Rose Founders Surface Lot has greatly improved our parking situation. Patient and Visitor Parking is available in all four of our primary parking locations. See inside for a detailed map of the Rose Medical Center campus.

Valet Parking - M-F

Valet Parking is available at the Main Hospital Entrance, Emergency Department Entrance, POB II Entrance, Founders Building entrance (off Hale Pkwy.), and the Wolf Building (off Hale Pkwy.).

The Republic Parking System valet staff will help you with your parking needs when you pull up to the valet stand. There is a small charge of \$4.00 per day. Discounted parking is available with validation. (see below)

Valet Parking is for Patients and Visitors only. Employees and Vendors are allowed to use either Parking Garage.

Complimentary Shuttle

If you need transportation to another location on the Rose campus we have a complimentary shuttle bus to help you make the transfer. Please call 303-518-5833 or ask your medical staff to call us for a transfer.

Validated Parking

Parking validations are available to all patients and visitors. Rose staff can provide you with a validation stamp. These

stamps provide a discount on your parking based on the chart below.

Physician Parking

Physician Parking is available on an assignment basis to credentialed Physicians on the Medical Staff Roster. Please visit the Medical Staff office to gain access to Physician Parking.

Emergency Department Parking

Emergency Department parking spaces are available off Clermont Street. Please note that these spaces are for Emergency Department Patients only and that there is a 2 hour time limit. If your Emergency Department stay is longer than 2 hours Republic Parking staff can move your vehicle to the Valet. To facilitate this transfer please give your keys to a staff member and receive a valet claim check.
