

## **52 Rose Medical Center Physicians Named “Top Docs” by *5280 Magazine***

**July 27, 2011** – *5280 Magazine* just named 52 Rose Medical Center physicians as “Top Docs” for 2011 in the August issues, which ranks Denver-area physicians. “Top Docs” were selected most often in a survey of more than 7,500 metro-area doctors, who were asked, by specialty, which physicians they would trust to treat them or their families. Nearly one-third of the Rose physicians selected practice only at Rose Medical Center.

The Rose Medical Center physicians named on the list are:

- Michael C. Bateman, plastic surgery\*
- John F. Bershof, plastic surgery (within the head and neck)\*
